

Pike County

**SHORTHORN BREEDERS
ASSOCIATION**

**Annual
SHOW and SALE**

SATURDAY, NOVEMBER 7, 1964

**Pike County Fairgrounds
BOWLING GREEN, MISSOURI**

On the front cover . . .

**A group of first calf heifers in
pasture with Glenndale Climax 55th
at Glenndale Farms, Hannibal, Mo.,
consignors of two bulls and six
females to this sale.**

Six of these heifers sell in the Charles Harness & Sons consignment to this sale and represent their six older heifers selling.

Your dollar buys BIG in Pike County. The bloodlines are rich, and the names of Pike County breeders, wherever found in a pedigree, add lustre and value to any animal belonging to that pedigree. The offering was never better — a wealth of good cattle makes it possible to buy a bull and a foundation group of females that you will be proud to own. Here is where you get the BIG DOLLAR'S WORTH.

Pike County Shorthorn Breeders Show & Sale

BOWLING GREEN, MISSOURI

November 7, 1964

16 Bulls	—	41 Females
12 Club Calves		
Steers and Heifers		

GENERAL INFORMATION

TIME — The show will be held at 9:30 a.m. and the sale at 12:30 p.m., Saturday, November 7, 1964.

LOCATION — The sale will be held at the Pike County fairgrounds, Bowling Green, Missouri. Bowling Green is also located on the G.M.&O. railroad between Chicago, Ill., and Kansas City, Mo. Burlington trains will be met at near-by Louisiana, Mo., if you notify the sale manager of arrival. We will also make motel reservations for distant guests at either the Princess Motel, Myers Motel, or Show-Me Lodge at Bowling Green.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will assist in loading on cars or trucks in compliance with instructions from the purchasers.

GUARANTEE — All cattle will be sold according to the standard guarantee recommended by the American Shorthorn Breeders Association.

A certificate of registry and a signed transfer will be furnished for each lot sold, and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease, and health charts will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests. Every person attending must do so at his own risk. The sale manager was retained by the Pike County Shorthorn Association for the specific tasks of preparing the catalog, handling the publicity and disbursing the receipts, and has no connection with the handling of the cattle or the condition of the premises.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

MAIL BIDS — Those wishing to buy at this sale, who cannot be present, may send their bids to the sale manager, Don Longley, of the Shorthorn World, 16 So. Locust Street, Aurora, Ill.; C. O. "Pete" Swaffar, Secretary, American Shorthorn Breeders' Association, Omaha, Nebr.; Allan Sudholt, County Agent, Bowling Green, Mo.; or to the auctioneer or consignors.

Auctioneer — Dick Kane, Wisner, Neb.

Sale Manager — DON LONGLEY, 16 So. Locust Street, Aurora, Ill.

CLUB CALF SALE

About 13 Club Calves will sell starting at 12:15 p.m. We are not certain of the exact number, since we solicit club calf entries right up to the time of the sale. See page 42 for a detailed breakdown of their breeding.

Three of these beautiful heifers at Fairmead Farms, consignors of a bull and four females, sell. Left to right they are: Fairmead Clara Xmas, Fairmead Clara, Fairmead Augusta 100th, FAIRMEAD MINA 18th, Lot 21, FAIRMEAD AUGUSTA MARY A, Lot 46, FAIRMEAD SECRET D 2nd, Lot 37, and Fairmead Lady 2nd.

The rich bloodlines of Pike County —

Pike County is no place for a second-rate herd sire, and you won't find one here. In no area of the country will you find breeders more sold on Shorthorns—more sold on quality—more sold on top sires—than in Pike County. The sons, daughters, and service of great bulls from Scotland, Canada and the United States are featured in this sale.

Bulls in service in these herds have proved themselves in the showing as well as in the pasture as sires of calves worthy of their heritage. Nowhere in the nation will you find more outstanding Shorthorn herds within a 50-mile radius. This sale offering is the result of years of effort and friendly rivalry among the consignors. This year's cattle will match any in the long history of this sale, at least 50 years and more. The offering is worthy of your coming a long way to see.

SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

Grade A (Superior)—Blue Ribbon:

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good)—Red Ribbon

These animals are good enough to improve a large percentage of purebred and commercial herds.

Grade C (Medium)—White Ribbon

These animals are average for the breed.

Grade D (Unclassified)—No Ribbon

These animals are undesirable breeding animals.

Judge: John Shuman, Byers, Colo.

BULLS

Red, Chas. Harness & Son

WAYMORE GUS 37th—A full brother to the roan heifer Dorsey Elliott bought last year in Pike County Sale. He is a heavy-boned, rugged son of Findowrie Augustus. He looks like a herd sire.

Findowrie Augustus is the senior herd sire for Charles Harness & Son. Imported from Scotland, he won many championships before being sold in the Mathers Sale for \$6,000. His calves have sold well and shown well for the Mathers. He is sire of three bulls and seven females selling in the Harness consignment.

MACBETH TRAVELER—Is well bred and has the looks of a top sire. He is by Macbeth Paramount, a grandson of Leveldale Basis. The dam of this bull is by W L Max Major, the great breeding bull shown successfully by Billy Anderson. The rest of this pedigree is very strong. His half brother was reserve champion at the state sale and sold for \$835, another half brother was junior champion at the Pike County Sale at which Ray Duer judged, and sold to Waltman Miller. I predict great things for Traveler.

MACBETH SKY PILOT—Is a thick bull with a lot of bone and an excellent head. He is sired by Sandoon Sensation, a second-prize bull at the Canadian show and the next year was one of the top selling bulls at the Canadian National Sale. The sire of Sky Pilot is by a great show and breeding bull, Sandoon Niagara, that is out of Orange Fluff, one of the greats that ever left Scotland. The dam of this bull is a granddaughter of Lawton Favorite, probably the best bull and sire ever to be used in Pike County. This bull will sire show cattle if given a good opportunity.

MACBETH GENERAL—Another good son by Sandoon Sensation, the splendid show and breeding bull we bought at the Canadian National. The dam of General is one of our good cows by imported Morphie Paymaster, junior champion at Perth. Paymaster is a half brother to two great sires, Kair Masterkey and Kair Ranger. You can rarely find a pedigree like this. This family of cows has done a fine job for us.

Philorth Prince Nolan is an imported son of the great Pittodrie Noah and is the sire of two bulls and four females selling in the Jess Smithers & Son's consignment, including Lot 10.

MACBETH ROYALIST—One of our top bulls by Sandoon Sensation that had a good show record in Canada as well as the states, and some of our top calves are by Sensation. His granddam Orange Fluff, according to Gene Mathers, is one of the best cows ever to leave Scotland. The dam of this calf is of excellent breeding, and Royalist deserves a top herd of good registered cows. His half brother was junior champion at the Missouri State Fair and sold at the Pike County Sale to Armour Bertz and did a great job for him. John Sneed is using a son of this bull.

Left: Sandoon Sensation was first in class at the 1962 Canadian International All-Bull Sale and was purchased there for \$1,200 by W. L. McIlroy. He is sire of three bulls, including Lot 12, and three females in the McIlroy consignment.

Right: Leveldale Radcliffe is the fine sire that heads the BoWood herd. He is out of Pittodrie Rothes F9des, the dam of International grand champion, Leveldale Rothes Queen. He is the sire of Lot 13 and two females selling in the BoWood consignment.

Pike County

Famous for Shorthorns Since 1870

For more than 90 years there has been an active group of Shorthorn breeders at work in Pike County. They have been diligently promoting Shorthorns and breeding top cattle. For generations Pike County has been known as a source of the kind that can strengthen herds everywhere.

All you need do is study the list of sires currently heading these herds. In almost every instance they were brought to Pike County at prices from \$2,000 to \$7,000. They include bulls imported from Scotland and Canada as well as the cream of American herds. They are sires that have won many championships and that are producing outstanding sons and daughters.

Experienced Shorthorn breeders recognize the unusual opportunities offered in Pike County sales where the best productions of these herds are sold annually. A list of those who have purchased in this sale includes herds from a wide area. Men who get around and who know good cattle and the best values regularly appear on the lists of Pike County buyers. They, like scores of others, recognize the unusual opportunities offered here each year.

Earl Bradbury of Fairmead Farm, consignors to this sale, looks over some of his cows and calves in pasture with W. L. Mascot, sire of two females selling in the Fairmead consignment.

These four beautiful heifers sell in this sale. Left to right: GLENNDALE AVERNE 24th, Lot 29; GLENNDALE BRIDESMAID 14th, Lot 30; GLENNDALE K CINDERELLA 4th, Lot 38; GLENNDALE MONA MAID 3rd, Lot 31.

The Club Calves . . .

Don't overlook the blue ribbon quality club calves selling at 12:15 p.m., just before the auction of breeding cattle. They are from the same bloodlines as the bulls and females in the sale. Similar calves have won for their exhibitors in the past. They can do the same for you.

Combine Your Shipments

The Pike County Sale is followed by the Mathers sale on Monday and by the "Best of Midwest" sale on Tuesday. We can combine purchases in these sales for shipment. If you need transportation to or from any of these events during this great sale series, contact Don Longley, 16 South Locust Street, Aurora, Illinois.

Why Shorthorns Are Profitable

Shorthorns have topped the Kentucky Performance Tests for the last **five consecutive years**. Shorthorns led Angus and Herefords in average daily gains, adjusted average daily gains, in type score, index value and weight for each day of age.

In the 1961 Virginia Feeder Sales Shorthorns out-grossed all breeds. Shorthorn steer and heifer calves averaged slightly more than \$130 a head compared with \$121.52 for Herefords and \$126.39 for Angus. Shorthorn yearlings also out-grossed the other breeds in this sale series.

Why not let a Shorthorn bull go to work adding more pounds and more dollars to your calf crop?

Bo Wood Victoria 17th is a typical daughter of Leveldale Radcliffe, sire of three animals selling in the BoWood consignment, and is from the same family as Lot 24.

Shorthorn Carcasses Top General Average

A study of carcass figures compiled at the 18th annual Midwest Carcass Show by Hormel & Co. at Austin, Minnesota, indicated that Shorthorn carcasses were superior to the general average.

Ninety-one steers of all breeds qualified for the carcass show and the Shorthorn average as to yield, loin eye area and back fat covering prove higher than all the general averages. This average also includes Shorthorn figures which makes the Shorthorn advantage even greater.

The general average in yield was 64.1%. Shorthorn yield 65.1%. A full 1% higher than the average.

Loin eye per hundred pounds general average 1.85 square inch. Shorthorn 1.96 square inch—.11 square inch better than the general average.

Fat cover per hundred pounds general average .12 inch. Shorthorn .096. Shorthorns scored .024 in less fat cover per hundred.

October 1, 1964, issue—
The Shorthorn World
